Tuesday, 23 September 2008 (10:30 – 15:30 CET)

Metals Conference Centre – Gold room
Rue du Duc 100 (5th floor)
1150 Brussels, BELGIUM

AGENDA

- 1. Introduction and welcome to Consortium.** **10:30 – 10:50**
 - 1.1. Confidentiality and Competition Law.
 - 1.2. Tour de table and apologies.
 - 1.3. Introduction to Zuzana Hugonin, Scientific Manager.
 - 1.4. Revision of pending action points and approval of minutes of last meeting.
 - 1.4.1. Election of a Co-Chairperson.
 - 1.5. Approval of the Agenda.
- 2. Rhenium inventory.** **10:50 – 12:30**
 - 2.1. Adjustment of Rhenium inventory.
 - 2.1.1. Potassium perrhenate.
 - 2.2. Confirmation of proposed categories.
 - 2.3. Clarifications on “complex” materials:
 - 2.3.1. Ion-exchanger,
 - 2.3.2. Nickel Alloy (Scrap)¹.
- 3. Update on Rhenium project/work programme.** **13:30 – 14:15**
 - 3.1. Feed-back from Members on data request.
 - 3.2. Update on Phase I of the Re project.
- 4. Any other business.** **14:15 – 15:00**
 - 4.1. Pre-registration recommendations.
 - 4.2. Pre-registration/SIEF experiences.
 - 4.3. Known Rhenium and/or Rhenium compounds pre-registrants.
- 5. Conclusion and next meetings.** **15:00 – 15:15**

¹ Claire Mattelet (Nickel consortia) will join the meeting for this part of the discussion. The aim of this is to make sure that whatever strategy we decide to follow for Nickel-Alloy is consistent, whenever possible, with the Nickel consortia's approach and strategy.
